

PIG HOLE

AFTER DARK

BACK THAT BAG UP.

The official rule book

A YBH game • www.yesbabyhello.com

ADULTS 21+ ONLY

WELCOME TO THE STY

PIG Hole is cornhole played like HORSE. The leader shows you how it's done; you copy it - same spot, same move. Can't keep up? Take a letter. Spell P-I-G and it's game over.

IN THE BOX

2 GLOW BOARDS

Regulation 2 X 4 ft, 6-inch hole, glow-print skin with a glowing red hole rim.

8 GLOW BAGS

4 Hot Magenta, 4 Lamp Amber.

SETUP

PIG GAMES

Just 1 board and 1 bag.
Throw, fetch, pass it on.
2+ adults.

CLASSIC

Boards 27 ft apart, front edge to front edge. 4 bags each.

Warm-up: everyone throws once from the same spot.
Closest to the hole leads first.

HOW PIG WORKS

A shot is **SPOT + MOVE**. The leader calls both out loud, then throws. Followers throw from the same spot, with the same move.

ON TOP

Bag stays on the board. Followers must at least get on top.

BACK DOOR

Bag drops in the hole. Followers must sink it too.

LIMP

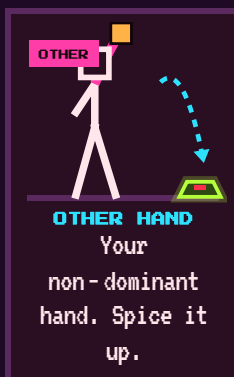

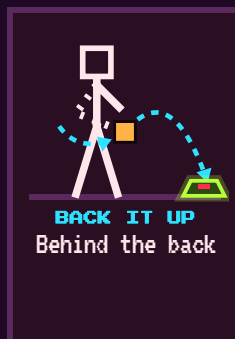

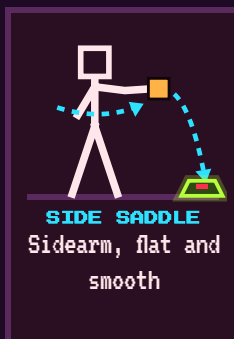

A miss. The lead passes to the next pig.

LEADER	YOU LIMP	ON TOP	BACK DOOR
On Top	+1 letter	Safe	Clean Sheets: -1 letter
Back Door	+1 letter	+1 letter	Safe

Hit your lead and you keep it. Wrong spot or wrong move counts as limp. Letters stack P → I → G. Already clean? You stay at zero.

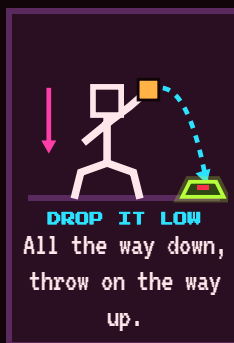

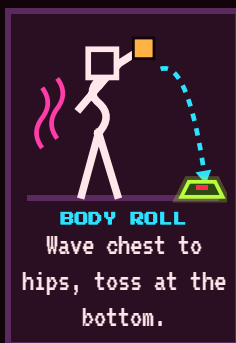

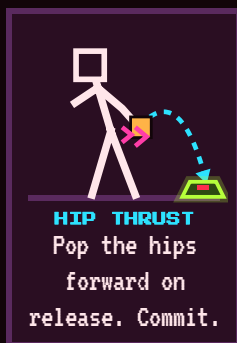

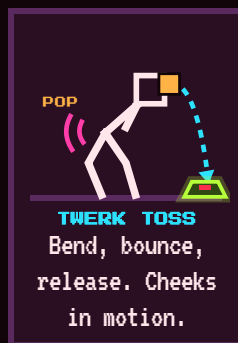

SELECT YOUR MOVE

Call it before you let go. Didn't call it? Followers may use any move - from the same spot.

DANCE MOVES

The leader can add a dance to any move. Followers copy the dance too. Half-hearted counts as limp - the crowd judges.

PULL OUT PROMPTLY

After every throw, take the bag off the board (or out of the hole) before the next pig goes. Nothing blocks the board, the hole or the lane. Bag left behind? Do-over.

PICK YOUR GAME

Like darts has Cricket and 301, PIG Hole has six games. Add dance moves or Sips & Squeals to any of them.

PIG

Classic. Match the leader or take a letter. Last pig standing wins.

HOG WILD

Points. Nobody's out. Leader scores off every miss. First to 21.

MUD 21

Countdown from 21. Board -1, hole -3. Hit exactly zero.

TRUFFLE HUNT

Sink one from each of 5 stations, in order.

PIG PEN

Teams. Partners share letters and both must match.

CLASSIC

Traditional cornhole. Cancel scoring, first to 21.

HOG WILD

Nobody gets knocked out. The leader sets the shot and scores off every pig who can't match it. First to 21 wins.

LEADER	EACH PIG WHO MISSES	A PIG WHO SINKS IT
On Top	Leader +1	Steals 1 point from the leader
Back Door	Leader +2 (hole counts double)	Safe
Limp	No points - lead passes on	-

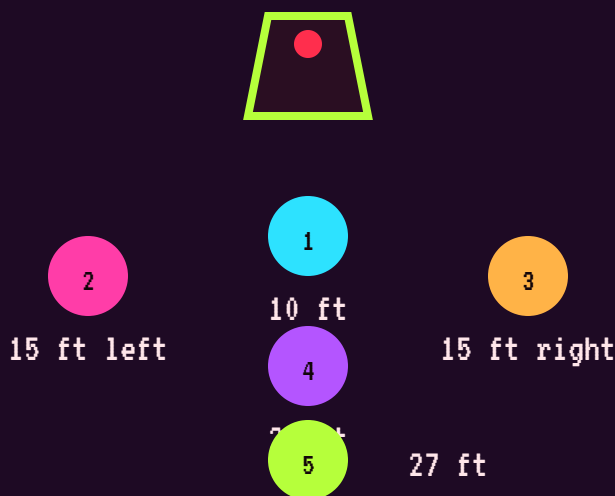

Three hits in a row and the lead moves on anyway. Scores never go below zero.

MUD 21

Everyone starts at 21. Each round, one pig picks the spot and everyone throws one bag from it. Board -1, hole -3, miss 0. Land exactly on zero to win. Go below zero and you bust - back to where you started the turn. The pick of the spot rotates each round.

TRUFFLE HUNT

Like Around the Clock in darts. Sink one from each station, in order. Board or miss: stay put and try again next turn. First to clear station 5 wins.

PIG PEN

Teams of two share letters. Both partners must match the shot, or the team takes a letter. Great for couple vs. couple.

CLASSIC

Boards 27 ft apart, 4 bags each. Hole = 3, board = 1. Points cancel each round; first to 21 wins.

NIGHT MODE

Charge the glow-print boards and bags in sunlight or under a bright light before dusk – no batteries, no switches. Add a blacklight if you want the full rave.

SIPS & SQUEALS

TAKE A LETTER

Take a sip.

CLEAN SHEETS

Hand out a sip.

LIMP ON LEAD

Two sips.

P.I.G'ED

Finish your drink.

Any drink counts – water too. Never drink and drive.

COUPLES MODE

Head to Head: first to P-I-G loses; the winner plans date night. **Winner's Wish:** one wish, kept consensual and fun. **Strip PIG:** behind closed doors only.

PLAY NICE

✓ DO
