## WELCOME TO THE PIG PEN

PIG Hole is cornhole played like HORSE – with a very hungry pig. The leader shows you the shot; you copy it. Same spot, same move. Miss it and take a letter. Spell P-I-G and it's game over.

### IN THE BOX

#### 2 BOARDS

Regulation 2 X 4 ft. The pig's mouth is the 6-inch hole.

#### 8 BAGS

4 Jersey Red, 4 Stadium Navy.

### SETUP

#### PIG GAMES

Just 1 board and 1 bag.  
Throw, fetch, pass it on.  
2+ players.

#### CLASSIC

Boards 27 ft apart, front edge to front edge. 4 bags each.

Warm-up: everyone throws once from the same spot.  
Closest to the mouth leads first.

## HOW PIG WORKS

A shot is **SPOT + MOVE**. The leader calls both, then throws. Everyone else throws from the same spot, with the same move.

### PLATE

Bag stays on the board. Everyone must at least get on the plate.

### FEED

Bag goes in the pig's mouth. Everyone must feed it too.

### MUD

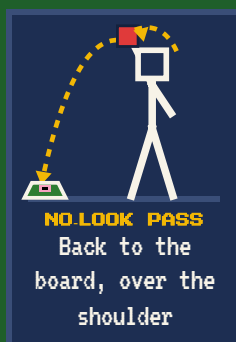

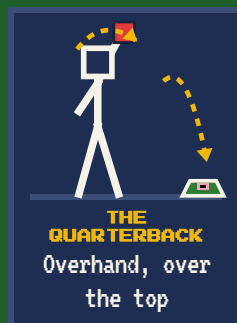

A miss. The lead passes to the next player.

| LEADER | YOU       | MUD | PLATE     | FEED                |
|--------|-----------|-----|-----------|---------------------|
| Plate  | +1 letter |     | Safe      | Hog Wash: -1 letter |
| Feed   | +1 letter |     | +1 letter | Safe                |

Hit your lead and you keep it. Wrong spot or move counts as Mud. Letters stack P → I → G. Already clean? You stay at zero.

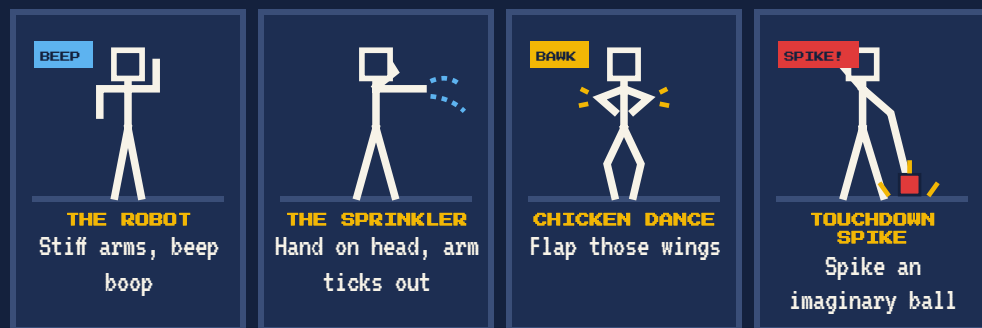

## SELECT YOUR MOVE

Call it before you throw. Didn't call it? Everyone may throw however they like - from the same spot.

## CELEBRATIONS

Feed the pig and you can call a celebration. Anyone else who feeds it must do the same one - skip it and it counts as Mud.

## CLEAR THE PLATE

After every throw, take the bag off the board (or out of the pig's mouth) before the next player goes. Nothing blocks the board, the mouth or the lane. Bag left behind? Do-over.

## PICK YOUR GAME

Like darts has Cricket and 301, PIG Hole has six games. Add celebrations to any of them.

### PIG

Classic. Match the leader or take a letter. Last pig standing wins.

### HOG WILD

Points. Nobody's out. Leader scores off every miss. First to 21.

### MUD 21

Countdown from 21. Plate -1, Feed -3. Hit exactly zero.

### TRUFFLE HUNT

Feed the pig from each of 5 stations, in order.

### PIG PEN

Teams. Partners share letters and both must match.

### CLASSIC

Traditional cornhole. Cancel scoring, first to 21.

## HOG WILD

Nobody gets knocked out. The leader sets the shot and scores off everyone who can't match it. First to 21 wins.

| LEADER | EACH PLAYER WHO MISSES            | A PLAYER WHO FEEDS IT          |
|--------|-----------------------------------|--------------------------------|
| Plate  | Leader +1                         | Steals 1 point from the leader |
| Feed   | Leader +2 (feeding counts double) | Safe                           |
| Mud    | No points - lead passes on        | -                              |

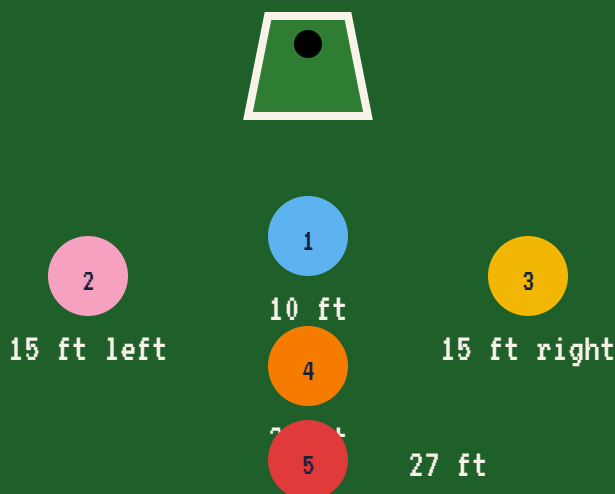

Three hits in a row and the lead moves on anyway. Scores never go below zero.

## MUD 21

Everyone starts at 21. Each round, one player picks the spot and everyone throws one bag from it. Plate -1, Feed -3, Mud 0. Land exactly on zero to win. Go below zero and you bust - back to where you started the turn.

## TRUFFLE HUNT

Like Around the Clock in darts. Feed the pig from each station, in order. Plate or Mud: stay put and try again next turn. First to clear station 5 wins.

## PIG PEN

Teams of two share letters. Both partners must match the shot, or the team takes a letter.

## CLASSIC

Boards 27 ft apart, 4 bags each. Feed = 3, Plate = 1. Points cancel each round; first to 21 wins.

## GOOD SPORTS

### ✓ DO

Call your spot and move first. Clear the plate. Keep people and pets out of the lane. Cheer great shots.

### ✗ DON'T

Change your call after the throw. Nudge the board. Throw anywhere unsafe. Pout.

## TALK LIKE A PIG
